Solid wood, veneered blockboard wood

#### Essenza / Type of wood

Rovere, Rovere impiallacciato  
Oak, Veneered Oak

#### Descrizione / Description

Madia Zero.16 è un pezzo in continua evoluzione. Colori ogni volta diversi sottolineano le geometrie moderne dei frontali, mentre la trama e la tinta naturale del legno emergono dalle finiture più elaborate. Spazioso e pratico, questo mobile contenitore realizza il suo scopo in modo platealmente estetico.

*Sideboard Zero.16 is a constantly evolving piece. Different colors each time underline the modern and linear geometries of the fronts, while the texture and natural color of the wood emerge from the more elaborate finishes. Spacious and practical, this storage unit achieves its purpose in a blatantly aesthetic way.*

## Manutenzione legno / Wood maintenance

Collezione / Collection **Living & More**

---

Pulire il legno con molta delicatezza utilizzando un panno morbido leggermente inumidito. Se il legno si macchia, l'intervento di pulizia dovrà essere tempestivo, per impedire alle sostanze cadute di essere assorbite. Prodotti generici e non idonei possono danneggiare le superfici. Non lasciare il prodotto esposto a fonti di calore diretto.

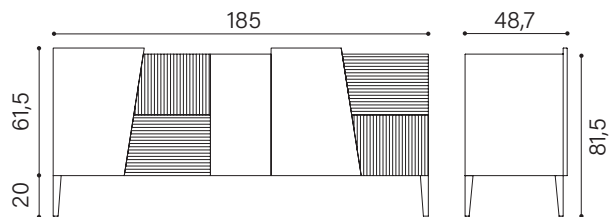

*Clean wood with delicacy using a soft cloth slightly damp. If wood gets a stain, you have to clean immediately in order to prevent substances from being absorbed. Generic and no suitable products may damage surfaces. Don't leave the product exposed to direct heat sources.*
